# ‘End of Summer’

## Waveland Fest draws thousands of visitors

This year’s End of Summer Bash drew thousands to Waveland’s beaches for music, food, and fireworks.

GENERAL MANAGER

The “End of Summer Bash” on Sunday brought thousands of visitors to the beach in Waveland.

“The whole purpose of this thing was to let people know Waveland is open for business, and I think it worked out well,” Lonnie Falgout, executive director of the Alice Moseley Folk Art Museum and co-organizer of the event, said. “We had over 50 vendors, food vendors with funnel cakes and everything else you can imagine. The crowd started coming in early and was consistent all day.”

The visitors didn’t just come from Mississippi and Louisiana — fest volunteers spotted license plates from all

## Former BSL daycare owner charged with multiple accounts of child abuse

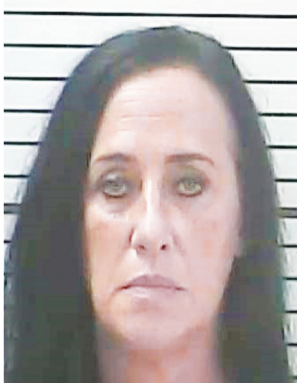

ECHO STAFF

A former Bay St. Louis daycare owner faces multiple felony counts of child abuse and neglect and, if convicted, could face life in prison.

Connie Ellis Cuevas, 54, was first arrested at her in-home daycare at 956 Old Spanish Trail in August 2020.

“The Bay St. Louis Police Department received a complaint alleging child neglect of a juvenile at a home daycare ... which is owned and operated by Connie Cuevas,” then Bay P.D. Chief Gary Ponthieux said at the time. “The initial investigation was conducted jointly by the Bay St. Louis Police Department, Mississippi Child Protective Services, and the Children’s Safe Center medical team. As a result of the investigation, it was determined the child’s injuries were from the child being struck by Cuevas.

Bay St. Louis Municipal Court Judge Maggio issued a search warrant

for Cuevas’ residence, as well as arrest warrants charging Cuevas with three counts of felony abuse and/or battery of a child. Cuevas’ bond was set at \$10,000 for each count, \$30,000 total.

Ponthieux said his department’s Criminal Investigations Division executed the search warrant, accompanied by Child Protective Services.

“Cuevas was arrested on scene, without incident, and subsequently transported to the Hancock County Adult

# Rotary hosts Past-Presidents’ Dinner

Photo by Geoff Belcher | Sea Coast Echo  
The Rotary Club of Bay St. Louis last week hosted a Past-Presidents’ Dinner at Fields Steak & Oyster Bar in Old Town Bay St. Louis. The Rotary Club of Bay St. Louis is in its 97th year and includes business and professionals who provide service, encourage high ethical standards in all vocations and help to build goodwill and peace in the world.

John Brdecka, executive director of the Hancock County Library, was the guest speaker at the previous week’s Rotary Club of Bay St. Louis meeting at the Bay-Waveland Yacht Club. Brdecka said he grew up in the Chicago-land area as a ward of the state, living in group homes and foster homes throughout his childhood. At an early age, Brdecka said, he knew he wanted to find a wife, have children, and provide them with the childhood he didn’t have but knew other children were having. The group home Maryville Academy, where Brdecka lived for a time, provided anyone who graduated high school and wanted to continue his or her education with a scholarship. He said he also received a different scholarship through the Department of Child and Family Services. Brdecka completed his undergraduate studies in criminal justice at Illinois State. Initially, Brdecka said, he thought he would become a law enforcement officer and started testing for many of the local municipalities. However, a position at Northwestern University would change his professional course. He found a job opening for a security coordinator for the libraries at Northwestern. He applied for the position, got it, and worked his way up for 16 years before moving to Bay St. Louis to accept the library position here.

Waveland Community Unity Organization President Clarence “Zeke” Hall, right, last week honored Hancock County Sheriff’s Deputy Chris Sholar with the second annual Michael Boutte Award, named for the deputy who lost his life while on duty in early 2021. Hall said Sholar’s selfless service to the community exemplifies Boutte’s legacy. The Community Unity organization hosted its annual awards ceremony last month, but Sholar was unable to attend and receive his award at the time, Hall said.

## The Arts, Hancock County hits the ground running

SEA COAST ECHO

September is shaping up to be a very busy month in the Bay! If you're looking for an artistic endeavor of any kind, The Arts, Hancock County can help you find it! Whether you're itching to take (or teach) a class, volunteer, or simply shop among local artists, they can help scratch that creative itch.

After a two-year hold due to COVID, The Arts, Hancock County has hit the ground running. Board member Mamie Hillery can hardly contain her joy, "I am so excited that this day has finally come and the doors to our new home will be officially open!" Referring to the building renovation, Mamie continued, "Yes, we have more work to do, but classes have begun, workshops are scheduled, and I can't wait to see everyone's creativity explode! That's what art is all about!"

On September 17, The Arts, Hancock County will open its doors for the Grand Opening of their new building at 405 Blaize Avenue in Bay St. Louis's Historic Depot District! "The grand opening celebration is our introduction to the community," says John Anderson, organization president, "It's a chance to show people what we are all about." Complete with an official Chamber of Commerce Ribbon cutting, the fun begins at 6 p.m. and continues until 9 p.m. After the ceremony, the public is invited to a reception with mayors and city officials. The gallery will be open and will feature art created by the original founders of the organization.

On Friday September 9, The Arts, Hancock County will have an early kick-off to the Downtown Merchants Association's Second Saturday with a "Funky Fish" Sip & Paint event, and benefit showing and styling event from Cabi on the Coast. "Sip & Paint classes are a blast," says Connie Voight, "The instructor is there to guide the class. You don't have to be a serious artist to chat with friends over paint and fun beverages!"

To register for the Sip and Paint, or to get more details on this or any of our classes, please visit our website at Hancock-Arts.org. For a preview of the Cabi Collection, please visit cabionline.com. A portion of the proceeds from the Cabi show goes directly to The Arts, Hancock County.

On Saturday, Sep-

tember 10, Second Saturday's Back to School Bash will be in full swing at 405 Blaize! Our regular PopUp Art Market will be held from 12-5 p.m., rain or shine! When asked for her impressions on our new PopUp events, member artist Emma Connolly stated, "Our fabulous new building is perfect for art pop-ups, and I love selling my art in this historic location - great Karma!" A PopUp Market is a "fabulous event to purchase unique artwork from a variety of local artists, says participating member artist Elizabeth Schafer, "you never know what treasures you'll find for yourself or for gifts," From 12-4 p.m. volunteers will open Imagination Station, one of our outreach projects that "allows children to explore their creativity," stated board member Bernie Cullen, "it really lets kids have fun while tapping into their talents." Volunteer Tom Voight will be manning a Wizard of Oz themed Corn Hole game. He invites everyone to "Come and toss a few bean bags; it's a great stress reliever!" These activities are free to all who attend. Come on out, bring the kids, and get an early start on that holiday shopping!

Also on the 10, Rosie Dumoulin will be teaching Introduction to Drawing from 1-3 p.m. for ages 12 & up. "Paying close attention to what our eyes are telling us and putting that vision onto paper is the first step in learning to draw," says Rosie, member and long time art educator. Please register online for this class, as participation is limited. To close out another fabulous Second Saturday The Arts, Hancock County will be hosting its annual Art of the Cocktail Mixologist Competition! Prize creator and board member, Joan Coleman wants everyone to know that this "is a fun competition for any mixologist who thinks they have a unique, delicious drink. Decided by people's choice, winners may become notorious, if not famous, by winning!" The public is welcome to this night of tasty frivolity! Mixologists please register online at Hancock-Arts.org; registration not needed for guests. Volunteers will be busy creating memorable experiences for all visitors. The more the merrier is the unspoken theme of everything this wonderful organization is doing. Stop by and check them out; you won't regret it!

SEA COAST ECHO

The Krewe of Diamondhead recently held their Around the World Theme party and members showed how creative they could be with their costumes. With flight attendants, pilots, explorers, maps, excited travelers, the Statue of Liberty, the big apple and many more, laughs and excitement carried on through the evening.

The ballroom was decorated to represent many different world locations along with stacks of suitcases that didn't get lost on these

travels. As everyone boarded for a fun evening they were greeted by a charcuterie tower, drinks and music as they found their tables for the night. There were four food stations to give attendees a taste of the world, which included Jamaica, Mexico, Asia and Italy. The food was outstanding and no one went home hungry.

The Krewe held a very successful silent auction, 50/50 and raffle drawing, which will go towards their float. Items in the auction had feverishly competitive bidding up until the very

end. It was great fun and some went home with wonderful prizes.

The Krewe was entertained by Black Velvet Duo, who's music set a great vibe as everyone mingled and then danced the night away celebrating the close of the Around the World Theme. What a way to wrap up a Mardi Gras theme and as a bonus there were no cancel flights!

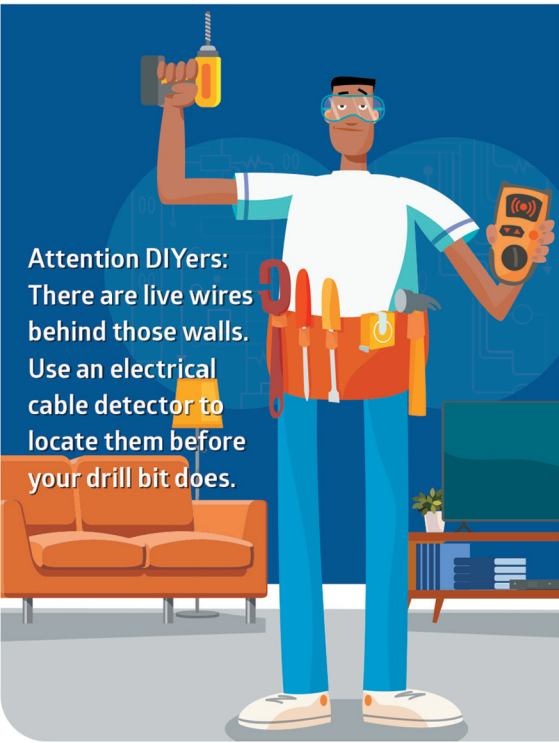

The Krewe will next host the announcement

cocktail party on Friday, October 21 at 6:30Pm, which will introduce the incoming royal court and their theme.

We have many upcoming events scheduled that you don't want to miss. There is still time to join with just a few remaining membership slots left. To join the Krewe, please contact our membership director, Gina Newman, regina.newman09@outlook.com.

# To be SAFE, be AWARE EVERYWHERE.

Electrical safety starts with being aware of electrical hazards. Think safety first and use these tips to stay safe at home, on the job and on the go.

**Attention DIYers:** There are live wires behind those walls. Use an electrical cable detector to locate them before your drill bit does.

Electricity from power lines can "jump" to nearby objects...including you. That's why you should always stay at least 10 feet away from overhead lines.

Before you dig that flowerbed, remember there may be underground lines where you're about to dig. Call 811 to locate them and your project will turn out just rosey.

# Hancock Whitney, GCCCF Announce 2022 Leo Seal Grants Recipients

Nine -- including Jordan Roy from SSC -- outstanding Mississippi teachers earn kudos, cash for innovative teaching projects

## SEA COAST ECHO

Nine of Mississippi’s most outstanding teachers earned high marks and money today as the 2022 winners of Leo W. Seal Innovative Teacher Grants.

Funded by Hancock Whitney and administered by the Gulf Coast Community Foundation (GCCCF), the Seal grants recognize exceptional commitment to teaching and fund creative learning projects that enhance students’ educational experiences and support state curriculum at K-12 schools in the eight Mississippi counties Hancock Whitney serves—Forrest, Hancock, Harrison, Jackson, Jefferson Davis, Lamar, Madison, and Pearl River.

This year’s recipients of one-time Seal grants of up to \$2,000 to activate award-winning projects are Sarah Jane Badeaux at Pass Christian Middle School; Traci Barrientos at the Lighthouse Academy for Dyslexia in Ocean Springs; Karen Jean Boutwell at Pearl River Central Middle School in Carriere; Renee M. Dellenger at St. Patrick Catholic High School in Biloxi; Banita Ford at St. Martin High School in Ocean Springs; Sarah Virginia Israel at Arlington Elementary School in Pascagoula; Tammy G. McKenna at Pass Christian High School; Jordan Roy at St. Stanislaus College in Bay St. Louis; and Erica Yong van Norden at Delisle Elementary School in

Pass Christian.

“We at Hancock Whitney are extremely proud of and congratulate the 2022 Leo W. Seal Innovative Teacher Grants recipients,” said Hancock Whitney Chief Operating Officer D. Shane Loper. “Our founders envisioned an institution meant to serve. They saw a strong bank with a tradition of creating opportunities. They set forth a mission to help people achieve their dreams. From the day we opened our doors, Hancock Whitney has carried on that mission and advocated quality education as a means of achieving dreams. That’s why we’ve always considered the Leo Seal Innovative Teacher Grants program a natural extension of our mission.”

Each Seal grant recipient receives up to \$2,000 to activate their award-winning teaching initiative at their school.

Hancock Whitney established the Leo W. Seal Innovative Teacher Grants in 1994 as a permanent endowment of the Gulf Coast Community Foundation Pat Santucci Friends of Public Education Program. GCCCF and Hancock Whitney awarded the first grants in 1996. GCCCF manages the grants and selection of winners by an independent committee not affiliated with Hancock Whitney.

Additionally, the program pays tribute to the legacies of the late Leo W. Seal, Sr., Hancock Whitney’s president from 1932 to 1963, and

Jordan Roy

his son, the late Leo W. Seal, Jr., the company’s chief executive for 45 years. During their lives, both men championed countless educational and economic growth opportunities across the Gulf Coast.

Growing Math Skills  
and Life Opportunities

As a deliberate, specific response to building and improving students’ mathematics skills and enhancing career options after high school, “Growing Math Skills and Life Opportunities” affords software for all computers in the St. Stanislaus College library and dormitory to address skillsets for all math curriculum content, from arithmetic to pre-calculus. This easily accessible, robust supplemental resource helps increase student remediation, enrich course content, and offer enhancements for in-class instruction. Additionally, with objectives of the individual units aligned with ACT designated skills, the software supports preparation for college entrance examinations and can potentially include reading and language arts content.

## Flag Retirement Program

Edmond Fahey Funeral Home works with local residents and the veterans services organizations to properly retire any U.S. flag that has reached the end of its service. Our program is designed to honor our national heroes, our military veterans, and to give dignity to our American Flag when it is no longer worthy of display. We strive to see that each veteran being cremated has a flag. There is no charge for this service to our veterans.

According to the United States code, Title 4, Chapter 1, Subsection 8: "The flag, when it is in such condition that it is no longer a fitting emblem for display, should be destroyed in a dignified way, preferably by burning."

If you would like to honor a deceased veteran by donating an aged or worn flag to be properly disposed of, you may do so by delivering the flags to our funeral home located on the corner of Necaize Avenue and Main Street.

"We pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all."

## Giving thanks for nephrology nurses

As our family prepares to celebrate the birth of my father this week, I'm reminded of another reason to celebrate next week, Nephrology Nurses Week.

According to the American Nephrology Nurses Association's website, Nephrology Nurses Week — Sept. 11-17 — “gives employers, patients, and others the opportunity to thank nephrology nurses for their life-saving work. In addition, ANNA also hopes to spark interests in other nurses about the multifaceted career opportunities available in nephrology. One of the most diverse nursing specialties practiced today, nephrology nurses care for patients of all ages who have, or are at risk for, kidney disease. Nephrology nurses use their vision, knowledge, and skills to improve patient outcomes. Caring for patients with kidney disease requires nurses to be highly-skilled, well-educated, and motivated, and nephrology nurses cite the variety and challenges of the specialty as fueling their ongoing passion.”

**STAFF COLUMN**  
BY Cassandra Favre

For more than six years, the nurses at the Fresenius Medical Care facility in Diamondhead took amazing care of my dad while he was on dialysis treatments for three days a week at almost four hours at a time.

I've bragged about the nurses before and I will continue to do so, because of all the wonderful care they bestow upon their patients.

They became like family to my dad. They watched my nephew grow up through FaceTime videos. They also enjoyed many a baked treat, courtesy of my mom.

Perhaps, one of the sweetest memories I have of his nurses was when they sent a birthday card to his new kidney days after his transplant.

It was the cutest and kindest thing.

For nephrology nurses, I'm sure it's a tremendous moment of celebration, as many of their patients are waiting for transplants. In a job field that I know can often be filled with heartbreak, it is all the more important to celebrate the success stories.

The transplant nurses at the main Ochsner Medical Center campus in New Orleans are amazing, as well.

They provided not only excellent medical treat-

## Hancock History: Poss LaFrance Marina

An enduring landmark in Ansley is the famous LaFrance Marina in the village on Bayou Campbell. The story of “Poss” LaFrance symbolizes the character and spirit of this neighborhood in the Twentieth Century. Jules “Poss” LaFrance (1913-2008) was born in Ansley. His father was from Point la Hache, LA, but his mother was from the local Dorn and Ladner families, two of the oldest in the area. His family spoke French, but Poss hated the language and refused to speak it, preferring English. His mother's family also had some Choctaw blood. His uncle coined the nickname “Poss” when he was a boy, but its meaning is obscure. Poss had only three years of grammar school, which was located two miles from his home. Nevertheless, he was a “truly educated man who was successful in a variety

of pursuits,” but is principally known for the marina which bears his name. Poss and that marina embody the soul of Ansley.

In 1923 the village of Ansley had around fourteen families, and the center of this small hamlet was where the railroad tracks crossed the main road. Poss's family lived in a two-room cottage with open windows and mosquitoes most of the year. Poss did physical labor at an early age. He married Mabel Dorn (1906-1988) in 1939, and they started a fishing camp in 1940. They lived in a two-room bungalow, “trapped, run cows, and raised hogs,” glad to survive hard times during the Depression.

Poss started collecting skiffs for rental to fishermen for \$1.50 a day. He repaired old broken ones and learned how to build new ones from cypress wood. In 1948, Poss started working for the

county clearing roads, which had been overgrown since the Hurricane of 1947. It was so bad that a horse and wagon could barely make it through the Old Lower Bay Road and Whites Road which provided the only byway from Ansley to Pearlington.

In 1953, Poss bought a used fishing boat from a man who lived in Shell Beach, LA, for \$3,500 which he named “Mabel L” after his wife. The Biloxi-type power boat was thirty-five feet long with a shallow hull made of cypress. Poss could now fish for live bait such as shrimp, cocahoe minnows, and small crabs, used by his customers fishing for salt water reds and specks. Business improved with the addition of the live bait boat. As he made more money, he added improvements such as a wharf, the LaFrance Marina store, a live bait shop, and a fuel dock. In 1973, Poss sold

out the whole operation to Dave Robertson from Independence, LA. Poss then retired. He passed away in 2008 and was buried in the Bayou Caddy Catholic Church Cemetery next to Mabel.

In our next column the history of the LaFrance Marina will be continued. In addition, the large liquid natural gas (LNG) depot owned by the Kinder Morgan company will be presented.

## Conservation Corner: Mississippi's Venomous Snakes

As hunting season is approaching, let's take a closer look at the venomous snakes found in our great state.

**Eastern Diamondback Rattlesnake:** Medium brown or tan with dark diamond shaped markings. Each diamond is bordered by a single row of light-colored scales and the coloration generally fades from a darker to lighter hue towards the tail. There is a wide, dark strip bordered with lighter scales on each side of the head and there is a rattle on the tail. This snake is massive in build and averages 4 to 4.5 feet in length.

**Canebrake Rattlesnake:** Usually brown or pinkish gray with dark crossbands which often break into blotches on the forward body. The overall coloration grows darker toward the tail. A single dark stripe generally runs back from each eye and a narrow chestnut or rusty colored line runs down the center of the back. This snake averages from 3 to 4.5 feet in length and has a rattle on the tail. Its most dis-

tinguishing feature is the uniform, black tail sometimes referred to as the “velvettail.”

**Pygmy Rattlesnake:** Usually gray to reddish in color, with dark brown or black blotches along the middle of the back and alternating spots which run down the sides. The smallest of our rattlesnakes, it averages just 18 to 20 inches in length. The pygmy rattlesnake generally has a rattle on its tail however, the rattle is often missing but will grow back with subsequent moltings. The most distinguishing feature is the large scales which are symmetrically arranged on the crown of the head.

**Copperhead:** Brown, pinkish-tan or chestnut colored with darker brown hourglass shaped crossbands. These distinctive crossbands are often incomplete or broken at mid body. A thin dark line runs back from the eye to the corner of the mouth. Juveniles generally have a yellow or greenish tail. Its body is thick and stout and is usually 2 to 4 feet in

length. The copperhead's soft colors blend in well with leaves on the forest floor.

**Cottonmouth:** The adult is usually yellowish brown to dark brown on the back with darker black, indistinct crossbands. A white face band may be present on some. Juvenile cottonmouths tend to resemble a copperhead and have bright yellow or even chartreuse tails. This is a very heavy-bodied snake usually averaging 2.5 to 4 feet in length. It is the only venomous water snake found in Mississippi and derives its name from the white inner mouth which is commonly exposed when the snake is threatened.

**Coral Snake:** Most easily identified by the bright color pattern of black, red, and yellow rings or color bands which encircle the body (the yellow and red rings are always touching, side by side). The head is small and black with tiny black eyes. It is a slender-bodied, cylindrical snake averaging 2 to 3 feet in length.

**Guest Column**  
By James Cummins

Coral snakes are easily distinguished from harmless members of the kingsnake family which mimic a similar color pattern, however the two warning colors of yellow and red are never in contact on kingsnakes.

## Bay P.D. arrests N.O. man for DUI-related death

ECHO STAFF

Bay St. Louis police last week arrested a New Orleans man in connection with a DUI-related accident in Hancock County that caused a woman's death.  
On Tuesday, "Officers of the Bay St. Louis Police Department arrested Rodney Darnell Mars ... and charged him with one count of DUI: Causing Death," according to

a Bay P.D. press release. "Mars is being held at the Hancock County Jail on a \$500,000 bond."  
Police said that the arrest warrant for Mars was issued due to a crash on I-10 near the 13-mile marker in Bay St. Louis on Aug. 17.  
"Mars' vehicle left the roadway, crossed the median, and struck another passenger vehicle traveling on the interstate," according to the

Rodney Mars

release. "The occupants of the other vehicle and Mars were transport-

ed to area hospitals for non-life-threatening injuries. The passenger in Mars' vehicle (later identified as Catherine Peters, 51) was pronounced dead at the scene."  
Mars, 51, was still incarcerated at the Hancock County Jail as of Monday afternoon.  
An initial hearing in the case has been scheduled for Sept. 16 in Bay St. Louis Municipal Court.

ment, but quite a few instructional sessions on how my mom and I would be caring for my dad in the days after his release.  
It truly helps ease the caregiver's stress and anxiety that comes with the transplant. While there are many moments of elation, there are also some moments of panic.  
When he was in my care alone, I often worried that I would do

something the wrong way, not hear him in the next room ask for something, or just mess everything up in general. Of course, I'm a big worrier, but knowing the nurses were a phone call away helped ease some of my fears.  
Again, I can never thank his nephrology nurses enough. You all ensured his dialysis and transplant experience was not entirely miserable or overwhelming. You took care of him in a way that none of his family could.  
I will forever be grateful and also use whatever platform I might have to alert everyone to the good

works of nephrology nurses.  
I don't wish dialysis on anyone. But, to those who must undergo this life-saving treatment, I hope that you are blessed with nephrology nurses who provide as much care and comfort as those we were blessed with. It truly does make all the difference.  
So, if you know any nephrology nurses, give them thanks not only during next week's annual recognition, but always.

• MAUREEN LOUISE BLANCHARD

• CARMEN BARABINO MONTGOMERY

**MAUREEN LOUISE BLANCHARD**

The unofficial mayor of State Street, Maureen Louise Blanchard, 73, has departed into the great hereafter.

Maureen was born into a Gulf Coast military family but she started her life in the “Golden Era” of California along with her siblings Moe and Sue. Though proud of her father’s service in the US Air Force, Maureen chose a more independent, artistic life (probably because of the spirit of her late mother Myrtle). Skipping from one state to the next, her time in Vail, CO, Atlanta and Savannah, GA, New Orleans, LA and New York allowed her untold life experiences that brought her to the interests and intersections of gemology, illustration, and vintage clothing. Later in life, she revitalized a dozen residences in the Waveland and Bay St. Louis area; most notably,

ten historic homes on the northern end of State Street. Maureen was a nature and animal lover, with several beloved cat and dog companions shadowing her over the years. Her arthritic dog Watson was by her side until his passing this year on Independence Day. She was incredibly concerned about climate change and for the avian and aquatic life of the greater Gulf Coast, though she never skipped out on devouring deviled crabs, royal red shrimp and an occasional filet of flounder. Maureen was an often-called upon professional in the national Antiquing and Vintage scenes. Her deep knowledge of furniture, WPA-era art, jewelry and clothing was endless, with clients as far as Australia and Europe. As an artisan, she produced handmade wares that were of extreme beauty and detail. She also kept meticulous genealogical records, a rather consis-

tent pastime she shared with relatives. Her gift of telling Blanchard tales of mythic proportions were thoroughly revered by her friends and close familial ties.

Maureen is survived by her brother Martin O. Blanchard III and his wife Mary Bernard Blanchard, of Waveland, MS, her one-eyed cat Pookashell, as well as dozens of loving cousins, nieces, and nephews.

She was preceded in death by her adoring parents, Martin O. Blanchard Jr. and Myrtle Church Blanchard, and sister Sue Ellen Carter.

**CARMEN BARABINO MONTGOMERY**

Carmen was born in Bay Saint Louis MS on June 29, 1942, departed this life on August 25, 2022, surround by her loving family. Carmen was preceded in death by her husband: John B. Montgomery and her parents: Oscar J. Barabino Sr. and Verna Maurice Barabino. brothers: Michael A Barabino, Ronald J Barabino Sr.

Carmen is survived by her children: Verna Montgomery (Cornelius Teddy Taylor), of Gulfport, MS, John B.

Montgomery (Bernice Hawkins) of Waveland, MS, Tabitha Montgomery (Christopher Paulus) of Washington State, Stepdaughter Tania Montgomery (Michael Jackson) of Hammond LA. Brothers: Oscar J. Barabino Jr. (Sandra Collins) of San Antonio, TX, Robert J. Barabino (Laney Carney) of Victorville CA, William J. Barabino Sr. (Julie Johnson) of Grovetown, Georgia. Sisters: Cyrellia Barabino (James Toney) of Picayune, MS, Linda Barabino (Johnson). Thirteen grandchildren,

Fifteen great grandchildren a host of nieces, nephews, relatives, and friends. Carmen will always be in our hearts, prayers, and minds.

Detention Center, where she was processed and held in lieu of bond,” Pontthieux said.

Cuevas posted bond an hour later and was released, according to jail records.

She was arrested again in January 2021 and charged with five more counts of felony child abuse, each with a \$10,000 bond, and again bonded out later the same day.

A Hancock County Grand Jury

this month indicted Cuevas on seven counts of felony child abuse and four counts of felony child neglect, court records show.

She has entered a not-guilty plea to all counts and is awaiting trial in Hancock County Circuit Court.

She is being represented by attorney Donald Rafferty, who told media this week that there are “different versions” of events and that “We look forward to our day in court.”

The Bay St. Louis Police Department is still asking anyone with information in the case to call them at 228-467-9222 or to call Mississippi Coast Crimestoppers at 877-787-5898.

over the Gulf South, Falgout said.

In addition to the vendors’ village, a great mix of music kept the crowd entertained for the entire event, Falgout said.

“The Misfits (Street Krewzers) started out the day with ‘oldie-but-goodie’ D.J.’ing, then we had the Bay St. Louis Trio, followed by the highly-energetic Sta-

cey Weaver — she puts on quite a show,” Falgout said. “Then of course, the Sons of Uh Beech finished up the day.”

J&M Displays wrapped up the festival Sunday with a \$16,000-plus fireworks display.

“The fireworks were just phenomenal,” Falgout said. “We had people lined up on the beach all the way back to Bay St. Louis watching the fireworks.”

Falgout credited the mayor and board of al-

dermen for their commitment to the festival.

“They’ve been saying they wanted to rekindle Destination Waveland (which happened in 2015), and they were really committed to do the right thing and make this an attraction to showcase Waveland,” Falgout said. “Hopefully, the board and the new mayor coming in (after the upcoming election) keep this tradition going.”

# Use mums to keep fall landscapes bright

**DR. GARY R. BACHMAN**  
**MSU EXTENSION SERVICE**

September and October have many home gardeners wondering what to do with their landscapes for the next couple of months. Summer annuals are nearly worn out, and the weather is still too warm for winter color to be established.

I have found fall mums to be an ideal bridge crop. Their colorful blooms put on an easy and reliable display for our current in-between period. The plants seem to have hundreds of flowers, so the impact is immediate.

Incorporating fall garden mums into the landscape is easy. My favorite way to use fall garden mums is to display them in containers on the front porch or back patio. They also can be planted into landscape beds.

If you need instant impact, then choose a plant in full flower. To extend the display period, select plants that have tight flower buds with just a little bit of color showing. Over time, the buds will open

up, making the flowers last longer.

Mums come in so many colors that there is sure to be a selection to fit your home color scheme.

In the past, mums of the same color were typically used together, but don’t be afraid to combine different colors in the same container. Be sure to select fall mums with their end use in mind.

In my experience, buying mums with tight buds means every once in a while, you get a surprise. Plants can get mixed up during production at the greenhouse, and those mums that you thought were going to have yellow flowers suddenly open up red or white.

Mums come in a variety of container sizes. A 4-inch plant is great component in a gorgeous autumnal combination container. Those that come in larger container sizes -- 8-inch pots or bigger -- make great standalone specimens.

When combined with a decorative container, the visual impact of mums can be dramatic. There is no need to transplant; just slip

the mum, container and all, into the larger pot.

Always keep your fall mums in full sun, as this promotes the very best flower opening and color development.

Whether planted in the ground or kept in a container, be sure to keep your mums consistently watered. This is a greater challenge when growing your mums in containers. If the soil is dry, it’s time to water your mums. Do not let them wilt.

Once a flowering fall mum is water-stressed, it turns off flowering. This doesn’t necessarily kill the plant, but the flowering will not recover. Don’t water the foliage, but direct water to the base of the plant and continue until water starts to flow from the bottom of the container.

Fall mums are treated as seasonal annuals to be removed when the flowers have faded and replaced with the next season’s flowers.

So, whether you are decorating for a tailgate party or freshening up the landscape until cool-season plants start their show, consider fall mums for their instant splash of color.

Achievement Awards at Hollywood Gulf Coast Casino in Bay St. Louis, honoring several Hancock County residents.

The organization, which aims to unite professional women and provide leadership skills and networking opportunities, is based in Biloxi but works all across the Mississippi Gulf Coast.

“I believe this is the first year we’ve ever hosted the awards in Bay St. Louis,” event emcee Nicole Martz said during the ceremony.

Among Hancock County-area residents recognized as “Women of Achievement” were Rymsky Labat, CEO of Labat Education Group, LLC; Denise Bush of Denise Bush Properties; Starr Chapman, owner of the Rum Kitchen; Tesia Lee, of HL Raymond Proper-

ties; Sandra Belcher of the Hancock County District Attorney’s office; and Cynthia Chauvin, executive director of CASA of Hancock County.

Chapman was named the main winner in the “Entrepreneur” category. Chauvin was named the main winner in the “Non-Profit” category.

## Music and Work

C. GERALD RICHARDSON, D. MIN.

I love music. I am not a musician, and although I love to sing, I am not much of a singer. Having said that, music and singing speak to a deep place in my spirit. I know many people who feel the same way. In all honesty, I can-

not say exactly where my earliest encounter with music began. It was probably either in the rousing voices of a protestant church in north Louisiana, or from my father in our modest home while he picked a cheap guitar and sang the joyful, and at times, mournful songs of Americana. It continued by way of a tiny transistor radio, played late at night through an earpiece from distant stations in cities such as New Orleans, Nashville, and Chicago. They brought me the world through the magic of technology.

The music and lyrics of my youth taught me my first theology, philosophy, and sociology, although, at the time, I could not have identified any of those terms. Music has been my inspiration as well as my teacher for my whole life. It remains so to this day. I continue to be inspired by the music at the Episcopal church where I worship each week. The internet and YouTube have opened doors of accessibility to much of the great music of our history, as well as the many modern musical offerings which

continue to be created. Music is a gift which keeps on giving. A few days ago, as Labor Day approached, I listened to the haunting sounds of Woody Guthrie singing songs of the depression era. He sang “This Land Is Your Land”, “I’ve Been Doing Some Hard Traveling”, and other renditions which told the painful story of a generation of people who crossed our country trying to work out a living in one of the nation’s most difficult economic times. It provided a reminder of the harsh realities of that period in

our history. Working people and their stories offer a rich insight into our culture. Much of it is set to the music of life. Songs such as “Working Man Blues”, “Take This Job and Shove It”, and many more, offer powerful insight into the emotional drama of seeking to earn a livelihood in the face of the daunting challenges brought on by hard conditions, sometimes unrealistic expectations, and the often too small share of the fruits of their labor. In the shadow of Labor Day, it is a good

time to offer our gratitude to those who do so much to keep our busy lives functioning. The person at the checkout counter, the one changing the oil in the car, the men and women on the roadside making repairs, the workers who fix our roofs, paint our houses, and so many more, are the ones who make possible the life that we know. They are a great blessing to us all. Thank you, and God bless you to all the workers of America. We are grateful for you, and for the music of your lives.

STATE OF INDIANA  
COUNTY OF HAMILTON  
IN THE MATTER OF THE ADOPTION OF INFANT MALE HOLT  
CAUSE NO. 29D05-2208-AD-1201  
NOTICE OF ADOPTION  
The unnamed putative father of the child born to Alexis Holt, on August 17, 2022, or the person who claims to be the father of the child born to Alexis Holt, on August 17, 2022, is notified that a petition for adoption of the child was filed in the office of the Clerk of the Hamilton Superior Court, Room No. 5, One Hamilton County Square, Noblesville, Indiana. If the unnamed putative father seeks to contest the adoption of the child, the unnamed putative father must file a motion to contest the adoption in accordance with IC 31-19-10-1 in the above named court within thirty (30) days after the date of service of this notice. This notice may be served by publication. If the unnamed putative father does not file a motion to contest the adoption within thirty (30) days after service of this notice, the above named court shall hear and determine the petition for adoption. The unnamed putative father's consent is irrevocably implied and the unnamed putative father loses the right to contest the adoption or the validity of the unnamed putative father's implied consent to the adoption. The unnamed putative father loses the right to establish paternity of the child, by affidavit or otherwise, in Indiana or any other jurisdiction. Nothing Alexis Holt or anyone else says to the unnamed putative father of the child relieves the unnamed putative father of his obligations under this notice. Under Indiana law, a putative father is a person who is named as or claims that he may be the father of a child born out of wedlock but who has not yet been legally proven to be the child's father.  
This notice complies with IC 31-19-4-4, but does not exhaustively set forth the unnamed putative father's legal obligations under the Indiana adoption statutes. A person being served with this notice should consult the Indiana statutes.

I. INVITATION FOR PROPOSALS

The City of Bay St. Louis is requesting proposals from qualified firms for the Operations and Maintenance of the Streets and Drainage Divisions of the City of Bay St. Louis, Mississippi.

Seven (7) sealed copies of the completed proposal must be received at City Hall - City Clerks Office, 688 Highway 90, Bay St. Louis, MS 39520, no later than 2:00 p.m. on October 10, 2022, at which time all information will be received, acknowledged, prices read aloud, and distributed to the selection committee for consideration. Any proposal received after this deadline will be returned unopened.

Request for Proposal packages may be obtained at Engineering Excellence, contact Kris Riemann - [kris@engineeringexcellence.com](mailto:kris@engineeringexcellence.com). All inquiries should be directed in writing to Engineering Excellence, at same e-mail, no later than seven (7) days prior to the opening date of the proposal.

Proposals may be held by the City of Bay St. Louis, Mississippi, for a period not to exceed sixty (60) days from the date of receipt of proposal.

The selection committee will review each proposal based on the below listed grading criteria and select a qualified firm. The committee may develop a short list from which interviews will be scheduled. The award will be made on a quality based selection from a review only of data submitted in response to this RFP. A written contract may be awarded to the individual/firm whose proposal is determined by the committee to be the most advantageous to the City

Proposals for this project will be rated according to the following criteria totaling 100 points:

| Criteria                                                            | Percentage |

| Total                                                               | 100%       |

A pre-proposal conference will be held on September 15, 2022 at 11:00 am in a GOTO Conference Call Meeting for all those who have received a package. If you would like a tour of the Bay St. Louis Public Works Department, 688 Highway 90, Bay St. Louis, MS 39520, please contact Kris Riemann, Engineering Excellence, at

[kris@engineeringexcellence.com](mailto:kris@engineeringexcellence.com) to schedule an appointment. This will offer the proposers the opportunity to review the existing equipment and operations building, work area, and to address any further issues at that time that are relative to the requested services.

The Mississippi State Board of Contractors requires the successful proposer to have a Certificate of Responsibility number AND State Contractor's license to enter into a contract for Operating and Maintaining the Streets and Drainage Divisions. The qualifying area of construction expertise is "Municipal and Public Works".

Section 3 Requirement  
Section 3 of the Housing and Urban Development Act of 1968 requires that the City and contractors participating in CDBG projects give opportunities for job training and employment to lower income residents of the Section 3 area. Section 3 also requires that "to the maximum extent feasible"

contracts for work in connection with Section 3 covered projects be awarded to business concerns that are located in or owned in substantial part by persons residing in the Section 3 area.

The City reserves the right to reject any and all proposals or to waive any technicality, bidding irregularities, or informality. The City of Bay St. Louis is an equal opportunity employer.

HANCOCK COUNTY WATER & SEWER DISTRICT WOULD LIKE TO REQUEST SEALED BIDS FOR THE PURCHASE OF 100 RESIDENTIAL GRINDER PUMPS AS PER these specifications: GRINDER PUMP SYSTEMS 1. SYSTEMS PRODUCTS – GRINDER PUMP Pump Model / General Construction Pump shall be a centrifugal sealed grinder type. Progressive Cavity or Positive Displacement (PD) pumps shall not be considered equal or allowed. The pump castings shall be high quality cast iron, ASTM A-48, Class 30. The impeller shall be multiple vane, centrifugal type, constructed of Class 30 cast iron, designed for maximum allowable flow. All external mating parts shall be machined and Buna-N Rubber O-ring seals. Fiber or paper gaskets shall not be acceptable. All fasteners exposed to the pumped liquid shall be 316 series stainless steel. The grinder unit shall be integrally built with a submersible type motor. The grinder pump shall be capable of macerating all material in normal domestic and commercial sewage including reasonable amounts of foreign objects such as small wood, sticks, plastic, thin rubber, sanitary napkins, disposable diapers and the like to a fine slurry that will pass freely through the pump and 1-1/4" discharge pipe. Pump weight shall not exceed 85 lbs. 1.1.1.Electrical Power/Control Cord 1.1.1.1. The motor power cord shall be 12 GA., SOOW water resistant CSA/U.L. approved. 1.1.1.2. The pump shall be protected with, and epoxy filled sealing gland. Stator lead connection to the power cord shall be accomplished outside the motor compartment and free from any oil. 1.1.1.3. The cord cap assembly shall be sealed with a sealing gland and filled with epoxy resin to prevent water from entering the pump if the cord is cut. 1.1.2.Motor 1.1.2.1. Pump Motor shall be of the air filled type to promote superior cooling and longevity. Motor shall be at a minimum three horsepower (3HP), operating at maximum FLA amperage of 14.4 and shall rotate at a minimum of 3600 RPM 1.1.2.2. The stator, rotor and bearings shall be mounted in a sealed submersible frame. The stator winding shall be of the open type with Class F insulation, (155 C or 311 F) and NEMA B design (3 phase), NEMA L design (single phase). Single phase motors shall be capacitor start, capacitor run type for high start torque. Capacitors must be changeable in field. 1.1.2.3. Pump shall be equipped with Overloads. The overloads shall be current sensitive, being current sensitive, as the current increases the heat increase until therefore opening the temperature sensitive device. It (they) shall be mounted directly in the stator and sized to open between 100±5°C and automatically reset at 87±9°C. 1.1.2.4. The stator shall be securely held in place by a press fit for maximum heat dissipation. Drop in or bolt down stators shall not be considered equal or allowed. The stator must be capable of being repaired or rewound by a local motor service center. 1.1.2.5. The motor frame shall be air filled for maximum heat dissipation by transferring heat from windings and rotor to outer shell. The pump and motor shall be specifically designed so that they may be operated two thirds or completely submerged in the liquid being pumped without compromise. The pump shall not require cooling water jackets. Dependence upon, or use of water jackets for supplemental cooling shall not be acceptable. 1.1.3.Bearings and Shaft 1.1.3.1. Motor shall have an upper single row ball radial bearing and two (2) lower double row ball thrust bearing. Ball bearings shall be designed for 65,000 hours B-10 life. Bearings are to be permanently lubricated by grease. Oil lubricated bearings shall not be accepted. 1.1.3.2. The common motor pump and grinder shaft shall be machined from solid #400 series stainless steel and be designed for minimum shaft overhang to reduce shaft deflection and prolong bearing life. 1.1.4.Mechanical Seals 1.1.4.1. Motor shall be protected by a triple seal system. Two mechanical seals mounted in tandem with a lip seal between the pumped media and the mechanical seal. This will prevent stringy material from hampering the springs effectiveness. Seal chamber shall be oil filled to lubricate seal face and to transmit heat from shaft to outer shell. The rotor and stator in the motor housing shall be separated and protected from the pumped liquid by an oil filled seal housing incorporating One (1) Silicon Carbide vs Silicon Carbide and One (1) Carbon Ceramic vs Carbon Ceramic mechanical seals mounted in tandem. Single seal protection will not be considered equal. All hardware is to 300 series stainless steel and sealing elastomers are to Buna-N Rubber. 1.1.5.Pump Impeller 1.1.5.1. The impeller shall be designed for rough duty service and shall be of a ten vane, vortex design with hydrodynamic pump out vanes on the rear shroud. The impeller shall be constructed of cast iron. The impeller shall be of a non-overloading design. Impeller is to be keyed onto the pump/motor shaft. 1.1.6.Grinder Construction 1.1.6.1. Grinder assembly shall consist of grinder impeller and shredding ring and shall be mounted directly below the volute passage. Grinder impeller shall be threaded onto stainless shaft and shall be locked with nut and washer. The shredding ring shall be pressed into iron holding flange for easy removal. Flange shall be provided with tapped back-off holes so that screws can be used to push the shredding ring from housing. All grinding of solids shall be from action of the 16 rotating cutter impeller against the 27 stationary shredding ring cutters, producing 24,840 cuts per seconds to none. All grinder cutters and shredding ring shall be of 440 C stainless steel hardened to 58-60 Rockwell C. ## kitty CORNER

Sweet Andretti, a 6 month old Siamese mix, was surrendered because his owner had too many cats. Understandably, he's a little shy about asking for pets and love, but he really loves attention, so just a little patience is required to get this baby purring like crazy. He will sleep next to you at night, and amuse you with his play all day. He is also super handsome, with beautiful blue eyes. Please give Andretti the happy, loving home, as an inside kitty, that he deserves.

**HELP!** The Shelter is overrun with kitties! Every color, every kind! Please come and adopt!

## AARP Tax-Aide Soliciting Volunteers

### SEA COAST ECHO

The Hancock County AARP Tax-Aide Program is seeking five volunteers to help with the upcoming tax season. Three Facilitators and two Counselors are needed to work at the Waveland Library from February 1 to April 15, 2023, 9am-1pm on Saturday, and possibly four hours on Wednesday. Training is mostly conducted via online classes with an occasional class at the library.

A Facilitator greets the taxpayer, arranges their tax documents, and reviews a questionnaire to ensure all questions are answered. A Counselor prepares the tax return, then turns the return over to a second Counselor for review before it is electronically filed.

This program is an official IRS program in collaboration with the AARP Foundation. It is designed to help the elderly, usually of low or medium income, and low income families who need assistance preparing their tax return.

Prospective volunteers, or for more information, contact Charles Gallagher at [charlesgallagher@bellsouth.net](mailto:charlesgallagher@bellsouth.net) to arrange a telephone call.

Meet Lindy. We are hoping that this baby will be lucky in love, soon. This 7 year old Terrier mix is quite petite, and may be an ideal companion for a single person or couple looking for a more mature friend, but one that is still active enough to share walks, cuddles and playtime. Lindy is certainly no "couch potato," and is still lively and fun, but most definitely a lap dog. Her size and age are complementary to apartment living, or for a home with a small fenced backyard. Lindy shares a kennel with another friendly dog, so she could easily join a home with existing family pets. Lindy has not met any children while at the shelter, but we feel she'd be great with them, as she is so gentle and calm. This sweet girl is super affectionate and yearns to be part of a family. She will fill your home with joy and love. You can meet Lindy during our visiting hours: Mon, Wed-Fri 10am-3:30pm or Tues 1pm-3:30pm, or you may call our front desk at 228-466-4516 or 985-285-2244 to schedule an appointment. Please bring your children and dog(s) along for the visit to ensure compatibility.

## Tigers smother Sumrall 38-7

BY JOSEPH W. GEX, II  
STAFF WRITER

The Bay High Tigers found their offensive groove and evened their record at 1-1 with a 38-7 smothering of Sumrall on Friday evening at Joe D. McCullough Stadium/Tank Williams Field.

The Tigers started the game with a flash-bang as Jaylen Antoine returned the opening kick-off 93 yards for a touchdown and Brennan Acosta converted the PAT for an early 7-0 lead.

The Tiger defense, which seemed to play in the Sumrall backfield all game, received some early success from Ben Wilemon and Christian Key when they got a tackle for loss; however, on the next play the Tigers were penalized for roughing the passer that gave Sumrall new life on the possession. But, the Tiger defense forced a three-and-out on the next series.

The Tigers played a mirror on the ensuing possession going three-and-out.

Sumrall experienced a decent drive that ended with a 42-yard field goal attempt that failed. The Tigers took over on their own 20 yard line and proceeded to mount an 18-play drive that ate up the remainder of the first quarter and almost half of the second quarter.

On the drive, Antoine had 10 carries for 45 yards, Lawrence Peterson gained 10 yards on 2 carries, Hawkins had 7 yards on a carry, and Xander Ladner 4-for-4 passing on the possession. The drive culminated with 10-yard scoring aerial to Antoine with 7:32 left in the half. Acosta made the score 14-0 with the PAT.

The two teams traded possessions and with roughly 1:50 left in the half, the Tigers fumbled on an exchange in the backfield that allowed Sumrall a short field.

Sumrall cut the deficit in half on the second play scoring with seconds remaining in the half.

With Sumrall starting on offense in the second half, the Tigers pinned them at their own 20 yard line with a touchback. Two plays later, Alex Harris and Brayson Johnson teamed up to force a fumble that gave the Tigers a short field to work with.

It took just two plays for Antoine to sprint into the endzone. Acosta's PAT made the score 21-7.

After another fumble recovery by the Tiger's Wilemon, Bay High scored on a 19-yard scoring strike from Ladner to Antoine. Acosta's PAT made the score 28-7.

Following the touchdown, the Tigers forced a three-and-out but

muffed the reception allowing Sumrall to continue to run the football. On the ensuing series, the Tigers forced another fumble and Dane Murphy recovered the loose ball.

The turnover led to a seven-play drive that culminated with another scoring run by Antoine with 10:26 left in the game. Acosta's PAT made the 35-7.

The final score came on a 30-yard field goal by Avery Harris with just under seven minutes left in regulation to make the final score 38-7.

Bay High head coach Jeremy Turcotte stated, "The story of the game was the consistent playoff our defense swarming the ball and forcing turnovers. It put a lot of pressure on Sumrall and allowed our offense to find a groove. I am extremely proud of Jaylen Antoine as he showed he can be dangerous with the football in a variety of ways. He works hard every day and his efforts were rewarded tonight. Now, we turn our focus to Long Beach which is something similar to a rivalry game. We have to continue to get better at what we do well."

The Tigers will travel to Long Beach on Friday for their non-division contest with the Bearcats. Kickoff is set for 7:30 p.m.

## Rocks rush past Bearcats 42-20

BY JOSEPH W. GEX, II  
STAFF WRITER

The Saint Stanislaus Rock-A-Chaws (1-1) found the win column for the first time during the young 2022 gridiron season last Friday evening 'between the walls' at the Brother Philip Memorial Athletic Complex with a 42-20 victory over the Long Beach Bearcats (0-2).

The win gave the Rocks a 21-20 advantage in the series that dates back to the 1968 season.

SSC found its ground game on Friday night as Chandler Chapman rushed 20 times for 249 yards and four touchdowns to lead the SSC charge.

The Bearcats found the endzone on the first drive of the game when Colt Busby connected with Cornelius Fairley with a 44-yard scoring aerial with 9:06 left in the opening quarter. The PAT was good making the score 7-0.

The Bearcats held firm on defense and forced the Rocks to a three-and-out on their first possession of the game.

Long Beach took advantage of another early miscues by SSC when the Bearcats punted and SSC muffed the reception giving the Bearcats the ball at the Rock 27 yard line.

However, the SSC defense stood tall and forced a 41-yard field goal attempt that was blocked by Spencer Cornell.

Chapman and the Rocks went to work chewing up turf. Chapman had carries of 24, 3, 11, and 16 yards before Hudson Osborne hit Levi Green with a 20-yard re-

ception. Two plays later Chapman found the endzone from 8 yards out with 11:55 left in the first half. Evan Noel connected on the PAT to knot the score at 7-7.

Brady Logan intercepted the Long Beach pass on the first play from scrimmage on the ensuing possession after a Bearcat kickoff return put the ball at the Rock 11 yard line. However, the Rocks were not able to capitalize.

One possession later, Chapman ripped off a 31-yard scoring run and Noel kicked the PAT to make the score 14-7 with 5:45 left in the first half.

Ben Cappel intercepted the Bearcats on the next possession that gave SSC possession at the Bearcat 40 yard line. But, Noel had to pin Long Beach at their own 8 yard line on a punt.

With the Bearcats buried deep, the Rocks turned up the pressure and forced a punt. With a bad snap and under pressure, Long Beach whiffed the kick and the ball was recovered in the endzone for a touchdown by SSC's Bruno Dall with 21 seconds left in the first half. Noel converted the PAT to make the score 21-7 at halftime.

The Rocks wasted little time getting Chapman the ball in the second half as he had carries of 21, 29, 14, and 4 yards with the last carry for a touchdown with 10:23 left in the third quarter. Noel's kick made the score 28-7.

Cappel, Dall, and Jacob Bradford stuffed the Bearcats giving SSC the ball at the Bearcat 38 yard line.

On the third play of the ensuing drive, Chapman ripped a 38-yard

scoring run with 7:45 left in the third quarter. Noel's kick pushed the score to 35-7.

The Bearcats stopped the bleeding with a two-yard scoring run by Busby with 5:36 left in the third quarter. The PAT made the score 35-14.

SSC muffed the ensuing kickoff and the Bearcats recovered. However, the SSC defense held firm and forced a punt. The two teams traded possession twice before SSC found paydirt.

The Rocks went to the air on five of the six plays of their scoring drive. The final toss from Osborne was a 10-yard scoring aerial to Jackson Dicerbo with 6:37 left in the game. Noel's PAT made the score 42-14.

The Bearcats got a late score on a 12-yard pass that only lightened the outcome. Logan intercepted the two-point conversion pass leaving the final score 42-20.

SSC head coach Nate Encrpera commented, "We had a good week of practice leading up to tonight. It was evident that we still need to iron some things out. We still have to create and mold some depth from some of the younger players. This week we will face a very good Pensacola Catholic team with elite players at several positions. We need to execute properly on every snap to put ourselves in a position to challenge them."

Logan had two interceptions, three pass break-ups, and six tackles while Cappel had 11 tackles to pace the SSC defense.

Dicerbo caught three passes for 57 yards and a touchdown.

The Rocks travel to Pensacola Catholic (2-0)

# Shore Thing: Kings, Queens and Jacks

## Shore Thing Fishing Report

By Cpt. Sonny Schindler

A couple of times a year, the schedule allows a last minute family fun trip. This last one was with my wife Stephanie, daughter Margot and her best friend Tallulah. Luckily the weather was perfect, but we did have to move around before we found our fish. We began our trip near Bayou Caddy. All we found was undersized speckled trout and plenty of catfish. The seas were flat calm, and it wasn't too terribly hot. We headed south to deeper waters, in search of big fish and maybe some dinner.

**Tallulah Kuhner and Margot Schindler with two keeper speckled trout.**

As we neared the Louisiana Marsh, I could see several of our friends on the horizon. They had located some white trout and speckled trout. As we neared the cluster of boats, you could see the silver fish flying over the sides. We quietly set up near our friends, and went to work. The big white trout and speckled trout were hungry. The

girls could barely keep the baits in the water, before a fish jumped on the hook. Tallulah was using a double hooked rig, and catching fish two at a time. We kept what we needed for a meal, and threw several small white trout into the live well. It was time for the big fish. We found a ledge, near the deeper water,

that was covered up in bait. The big fish found our baits in no time. Margot locked into a big bull shark, that I'm happy to say, she had it to the boat in just a few minutes. Stephanie was next with a massive jack crevalle. This fight was very different. The big jack was not coming in easy. After what seemed like 30 minutes and several

laps around the boat, we finally got the big Jack Crevalle in the boat. She was a trooper, but that fish wore her out. We could see storm clouds building on the horizon. Everyone was

content, and happy to head in. It was a great day, with my most favorite people in the world. I felt like a King, thrilled to be with my three queens and even happy to see a Jack.

## Hancock & OLA tally wins on court

BY JOSEPH W. GEX, II  
STAFF WRITER

The high school volleyball season is now in full swing with all area teams seeing action on the court. Teams will begin division play this week on the court.

**BAY HIGH LADY TIGERS**  
The Lady Tigers (2-9, 2-0) got their first two wins of the season this past week on the volleyball court and they could not have come at a more important time of the season, when division play begins.

On Tuesday, Bay High topped Poplarville in five sets 25-20, 22-25, 14-25, 25-20, 15-8.

MacKenzie Graham tallied 12 aces, 25 as-

sists, and 15 digs while Emmalee Kirkpatrick had 8 kills. Nadia Lewis recorded 22 digs while Chloe Knight had 12 digs and 6 kills. Devin Bourgeois and Genyria Washington each had 6 kills.

On Thursday, Bay High beat Moss Point 3-1 but game results and stats were not available.

**HANCOCK LADY HAWKS**  
The Lady Hawks are now 12-5 after splitting a pair of contests with PRC and Pope John Paul II last week. The Lady Hawks dropped their game with Pope John Paul II 17-25, 25-20, 23-25, and 19-25 but beat PRC 25-8, 25-4, and 25-

9.

For the week, Peyton Russell recorded 12 aces, 19 kills, and 4 blocks while Alexa Palmer had 2 aces, 28 kills, and 21 digs. Anslee James tallied 3 aces, 3 kills, 49 assists, and 21 digs while Cambria Necaie added 10 kills and 18 digs.

Following the loss to Pope John Paul II, Hancock head coach Lynsie Gayden stated, "We need games like that to challenge us and help us grow. We had been on a high recently and needed a jolt to our system. Now, we will see how we bounce back from this."

**OUR LADY ACADEMY CRESCENTS**

The Crescents (8-9) played Vancleave, Perry Central, and St. Patrick last week winning all three games.

The Crescents swept Vancleave 25-14, 25-17, and 25-17. Myah Favre had 15 kills while AnnaLaura Williford tallied 10 kills and 7 digs. Kins-

ley Jean Stegall recorded 7 digs while Ava Davis added 16 assists. Avery Matheson finished with 18 assists.

OLA beat Perry Central 25-4, 25-5, and 25-1. Favre and Williford each had 7 kills while Ava Alonso had 5 kills. Marley Kinniburgh had

6 aces and Davis tallied 23 assists.

The Crescents topped St. Patrick 25-19, 25-15, and 25-17. Favre finished with 19 kills while Williford had 20 kills. Davis tallied 23 assists and Matheson had 18 assists.

## Hawks fall 20-19 to Vancleave

BY DWAYNE BREMER  
CONTRIBUTING WRITER

The Vancleave Bulldogs on Friday overcame a 19-0 deficit, to stun the Hancock Hawks 20-19 at Brett Favre Field.

Hawks Head Coach Neil Lollar said the loss was tough, but his team will learn from it.

"Tough losses happen," Lollar said. "We have to get better in certain situations. We just did not make some critical plays in the second half. I give Vancleave a lot of credit."

Things were looking good early on for the Hawks as they raced out of the gate to build a three-score lead.

Dylan Moran tossed a 17-yard touchdown pass to Neil Acker to open the scoring just two minutes into the game. The point-after was blocked.

After a fumble recovery by Finn Cowan, the Hawks struck again when Destin Coleman raced 53 yards for a touchdown. Cowan added the point-after and the Hawks led 13-0.

The Hawks offense continued to roll on their next drive when Zach Gullung busted up the middle and rumbled 45 yards for a touchdown. The Hawks went for two, but the try was unsuccessful.

Gullung led the Hawks in rushing on the evening with 145 yards.

The Bulldogs responded with a long drive for their first score. The drive was aided by a 39-yard run by John Peterson on a fourth-and-one. Six plays later, Peterson scored on a six-yard carry. The point-after made the score 19-7.

Peterson, the Bulldogs' workhorse back, carried the ball 51 times on the evening for 203 yards.

The score remained 19-7 at halftime.

The Bulldogs opened the second half with two first downs, but Hancock's Jeffrey Hopgood stopped Peterson for a loss at the 48 on fourth-and-two.

The Hawks moved the ball inside the 30, but were unable to score.

Vancleave then drove 72 yards to close the gap to 19-13 when Peterson scored his second touchdown of the game on the first play of the fourth quarter.

After a Hawk fumble, the Bulldogs struck again. Once again, it was Peterson on a short run for the score. The point-after gave Vancleave a 20-19 lead.

After a Hawk punt, the Bulldogs took over at the 35 with 8:10 to play.

They proceeded to pick up five first downs and completely run out the clock, taking the one-point victory.

The Hawks will travel to Greene County Friday night.

Hancock County  
Historical Society  
108 Cue St.  
Monday-Friday:  
10am-3pm (Closed for  
lunch between  
12pm-1pm)

Tucked away on Cue Street you will find the Kate Lobrano House, a delightful 1896 shotgun cottage that operates as headquarters for the Hancock County Historical Society. Donated to the society in 1988 by the grandchildren of Katherine Maynard Lobrano, most of the original house is used as a turn-of-the-century museum, but a large addition to the back of the building provides office and storage facilities for research, lecture and social function areas for the historical society.

The Hancock County Historical Society is dedicated to the preservation of the history of Hancock County and its people. They collect, preserve, and maintain a collection of tens of thousands of documents, photographs, memorabilia, and artifacts designed to help future generations

understand their heritage. This non-profit organization takes pride in putting forth every effort to make their extensive library of information publicly available at their headquarters at the Lobrano house and also online. Over the years, membership in the Society has grown from fewer than a dozen to more than a thousand people, making them one of the largest civic organizations on the Gulf Coast.

This September Second Saturday, the Hancock County Historical Society will be hosting their Hot Spot with the theme "Moonshine, Marshmallows, Music and Memories" from 4pm to 8pm.

Visitors won't want to miss this unique opportunity to learn about the history of moonshine in Mississippi. Throughout the evening, members of the Historical Society will be sharing moonshine stories outside around a fire pit along with marshmallow roasting and live music provided by a variety of individual musicians including a guitarist, fiddler, and more. Inside, HCHS will be screening a slideshow of pictures of Bay St. Louis and Waveland from over the years.

# Pirate Tee Party Putt-Putt Tournament Set for Sept. 10

SEA COAST ECHO

Saturday, September 10th, businesses in Old Town Bay St. Louis will welcome putt-putt golf enthusiasts of all ages, and fun-lovers in general, for the 7th Annual Seahorse Open Pirate Tee Party. The annual tournament coincides with Second Saturday events and local merchant sponsors, with music, awards, and pirate costumes encouraged.

This mini-golf event is an annual fundraiser for the Mystic Krewe of the Seahorse, a volunteer organization that supports economic development in downtown Bay St. Louis. The event cost is \$10 per adult, \$5 per child, ages 10 and under. Members of the Krewe have been working hard to create great new props to make this annual event even more fun and challenging for all who participate.

Golfers should check-in at the corner of Beach Blvd. and Court Street to pick up scorecards, rules, and putters at 3pm. Prizes will be awarded for best score in several male and female age categories. All adult partic-

ipants will be entered into a drawing for a merchant sponsored gift basket at the end of the tournament, at 7 pm.

Fifty percent of the proceeds from the entry fees as well as hole sponsorships will be donated to Brenda's House Family Center. Brenda's House is the first supervised visitation center formed in Mississippi. Funds raised from this event will be used for on-going necessary improvements to the facility and family levels of care.

Advance tickets can be purchased through the MKOTSH.COM website, but tickets can also be purchased the day of at Pirate Central, located on the corner of Beach Blvd. and Court Street. The Krewe wants to express their deep appreciation for the restaurants and merchants who are supporting this year's upcoming Seahorse Open through their sponsorships, for Brenda's House charity, and gifts donated for the merchant basket drawing to be held at the end of the tournament.

Full details and the schedule can be found at [www.mkotsh.com](http://www.mkotsh.com) or call 228-216-6416.
